

Reading strategies to use if you are stuck

| | |
|---|--|
| <p>Break the word up Is there a word you recognise hidden in it?</p> <p>Un - predict - able</p> | <p>Similarities Does it sound like a word you do know?</p>  |
| <p>Look for clues There may be pictures or other words nearby which will help</p>  | <p>Backtrack and read again You may have missed clues the first time</p>  |
| <p>Read on There might be a clue further on in the sentence or paragraph</p>  | <p>Visualise Can you picture the sentence or idea in your head?</p>  |
| <p>Use your background knowledge What do you know about the topic? Can it help you work out what the word means?</p>  | <p>Lastly... Look for help Ask a friend or a member of staff. Look the word up in a dictionary or online.</p>  |
