## **Year 11 Leavers Assembly**

The last year has been difficult and challenging. As we return to some of the normal routines of school, we find ourselves in the position to plan for some of the special activities that make school days memorable. This Friday, 28th May, is our Year 11's official last day in school. Before they leave us to embark on the next stages of their life's journey, we would like to take the opportunity to say our own farewells.

Due to current Covid restrictions we cannot meet indoors, so instead we are planning an outdoor assembly in our amphitheatre area. There will also be an electronic link via Google Classroom to messages and videos from staff and form tutors that will be shared with pupils alongside the assembly.

Arrangements for Friday 28th May:

9:00 am – 9:20 am Registration

9:30 am - 10:45 am Leavers Assembly

At the end of assembly pupils will be free to leave premises.

This is an outdoor event. As pupils will be dismissed after the assembly there will be no need for school uniform, though expectations are that pupils wear appropriate clothing. The assembly is outdoors. The weather forecast is currently for good weather. However, there may be a need to change times or possibly the day itself if the forecast changes. We will let pupils and parents know should there be any changes. We would urge all pupils to be sensible and respectful. This is an opportunity to say fond farewells to staff, form mates and friends in a light but heartfelt manner.

Kind regards,

Dave Williams
