Joining Classrooms.

have a google
classroom for
every class/
subject they are

child's Google
classroom and
ensure they have
joined every

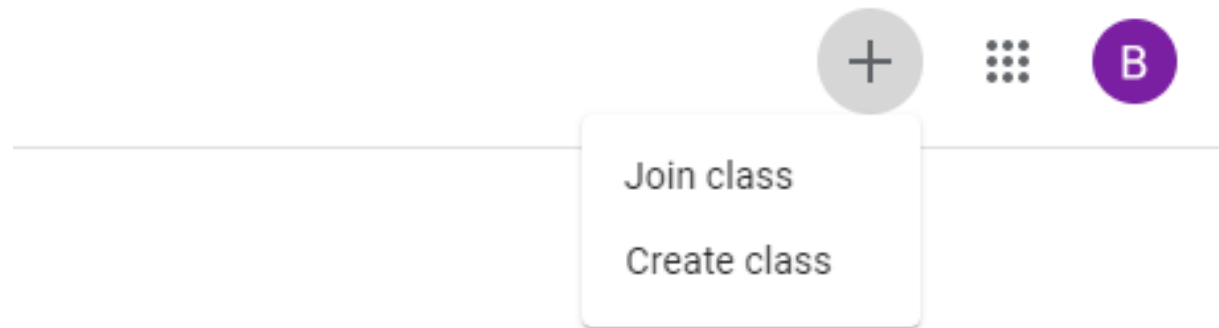

The classes will
vary depending on
your child's age.

| Year 7- 9 | Year 10 and 11 | Year 12 and 13 |
|--|--|--|
| <p><i>Core subjects</i> <i>Mathematics</i> <i>English</i> <i>Science</i> <i>Welsh</i></p> <p><i>Non core</i> <i>Geography</i> <i>History</i> <i>Religious Studies</i> <i>Humanities (Year 7 only)</i> <i>French/Spanish</i> <i>Art</i> <i>Design and Technology</i> <i>Drama</i> <i>Music</i> <i>ICT</i></p> | <p><i>Core subjects</i> <i>Mathematics</i> <i>English</i> <i>Biology</i> <i>Physics</i> <i>Chemistry</i> <i>Welsh</i> <i>Welsh Bacc</i></p> <p><i>Non Core</i></p> <p><i>3 option subjects your child has chosen.</i></p> | <p><i>Between 3 and 5 option subjects that your child has chosen.</i></p> <p><i>Please be aware some teachers share classrooms for one subject.</i> <i>Some teachers will have their own.</i></p> |

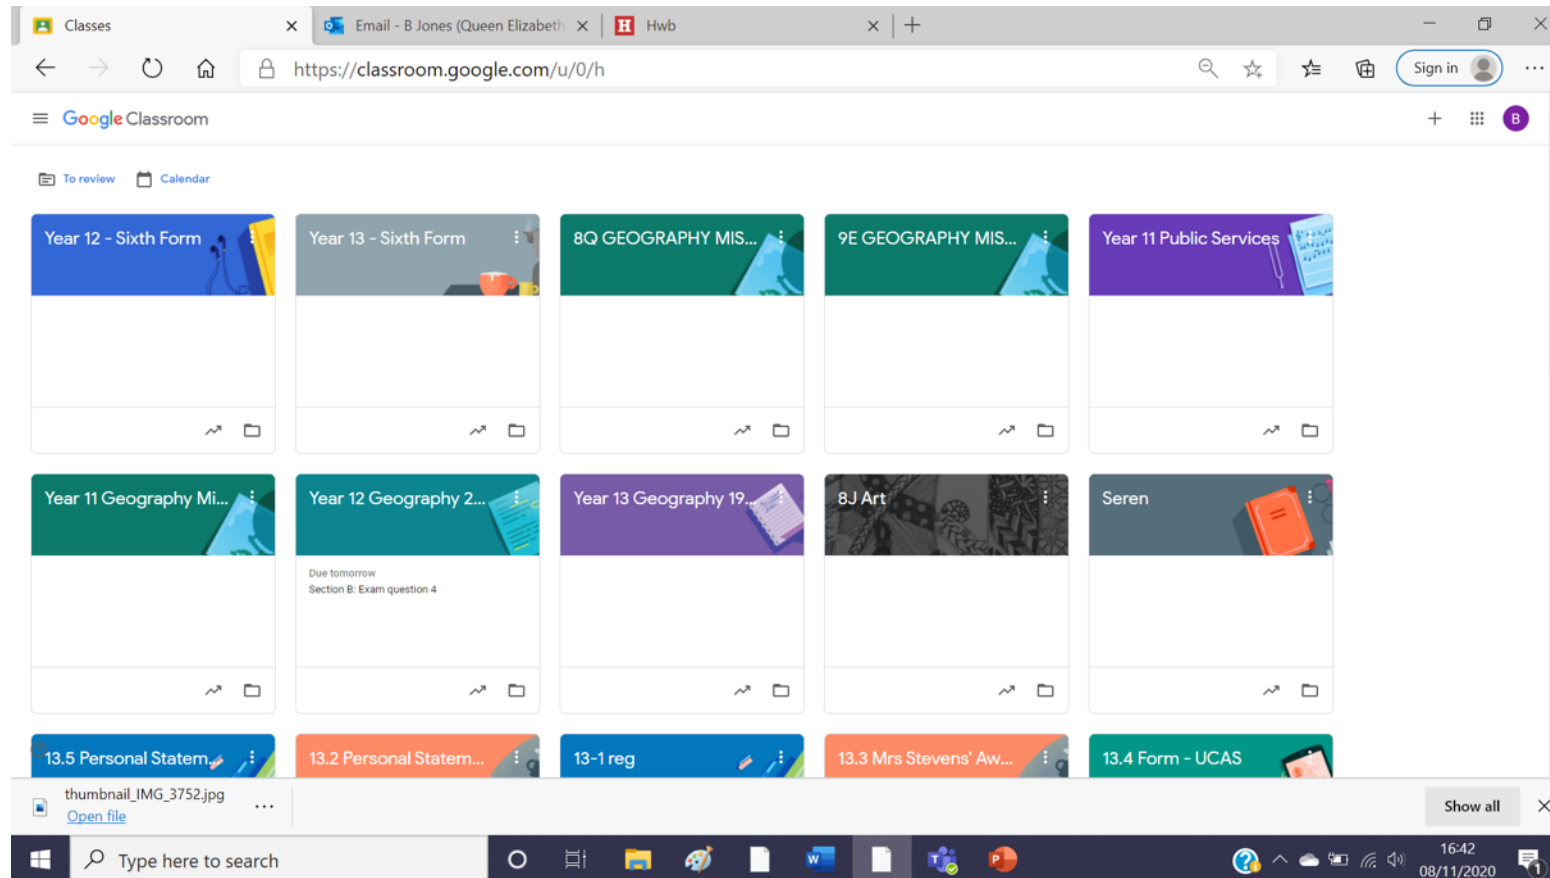

How does your child join a class if they are missing a classroom?

- ▶ Your child will need to get the classroom code from the subject teacher.
- ▶ Once your child has the code they will need to log into Google classroom.
- ▶ At the top of their home page in the right hand side you will see a + sign
- ▶ Your child will need to select that and join class.
- ▶ They will be prompted to add the class code.
- ▶ Once they have done this they will be in the classroom.

Main page on Google Classroom.

Once your child has logged into Google Classroom all their classes will show on the Home Page.

What is available on your child's Google Classroom

- ▶ Once you select a class a range of options will come up.

Stream

Assignment

Quiz assignment

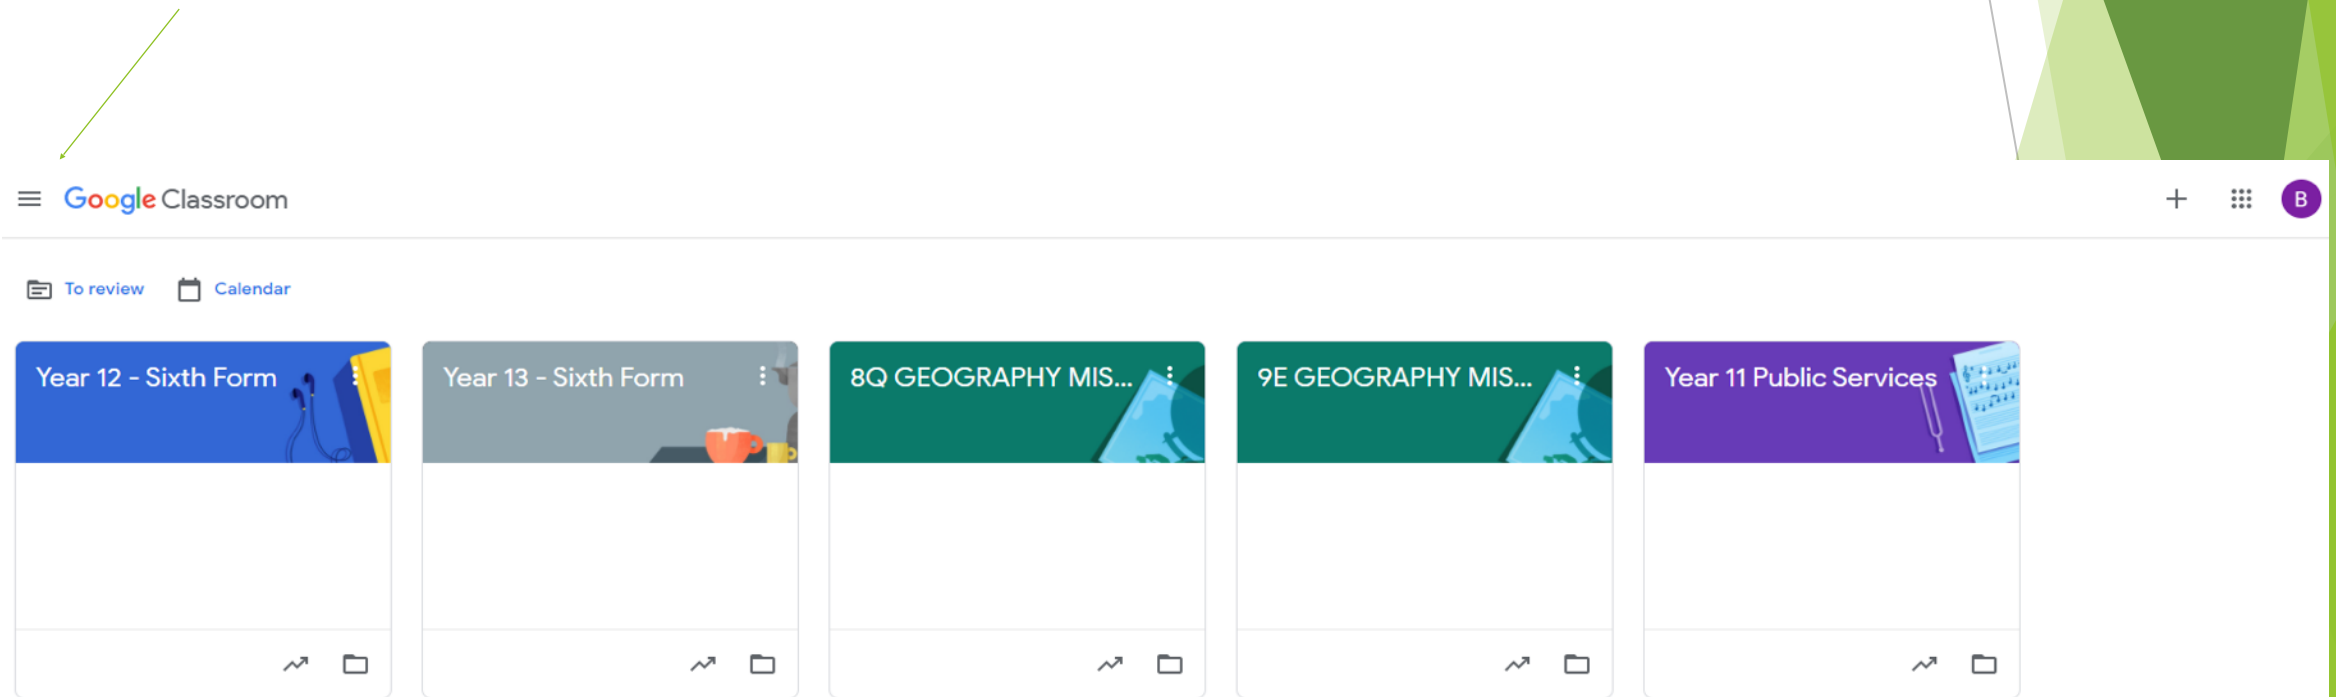

Question

Material

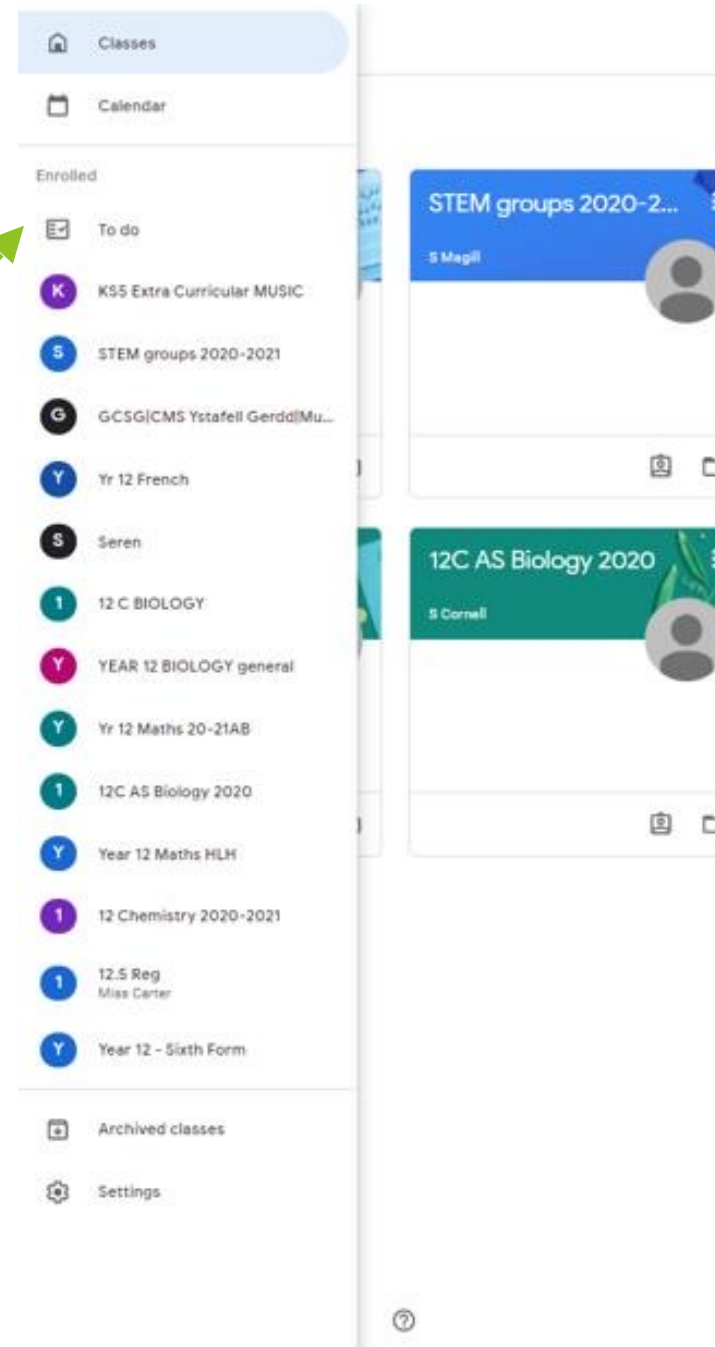

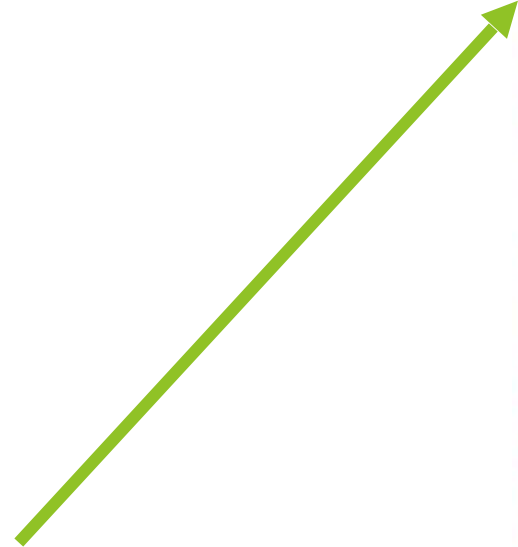

How does your child keep up to date with what they need to do?

On the Google classroom homepage in the top left hand corner there's 3 lines.
If you select this it will show a drop down menu

How does your child keep up to date with what they need to do?

The drop down menu will allow you and your child to see all their classes.
The key here is to select to do.

How does your child keep up to date with what they need to do?

Once they have selected to do. The following will show.

Assigned= upcoming task
Missing= not complete task
Done= completed tasks

The screenshot shows a task management interface with three tabs: 'Assigned', 'Missing', and 'Done'. The 'Assigned' tab is active. At the top, there is a dropdown menu labeled 'All classes'. Below this, the tasks are grouped by due date. The first group is 'No due date' with 12 tasks. Five tasks are listed in this group, each with a document icon, title, location, and posting date. The tasks are: 'CMS 1 DATBLYGU - DEVELOPING', 'CMS 3 HŶN - SENIOR', 'CMS 2 CANOLRADD - INTERMEDIATE', 'TRINITY Maes Llafur cerddoriaeth arholiad Exam Music Syllabus', and 'ABRSM Maes Llafur cerddoriaeth arholiad. Exam Music Syllabus'. A 'View all' link is located below the list. The second group is 'This week' with 0 tasks, the third is 'Next week' with 0 tasks, and the fourth is 'Later' with 0 tasks.

+ Add or create

Mark as Done

Private comments

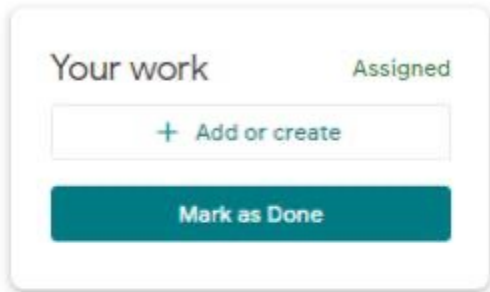

Add private comment...

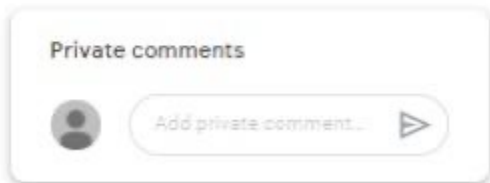

Pupils can add private comments to their teacher

How does your child upload an assignment?

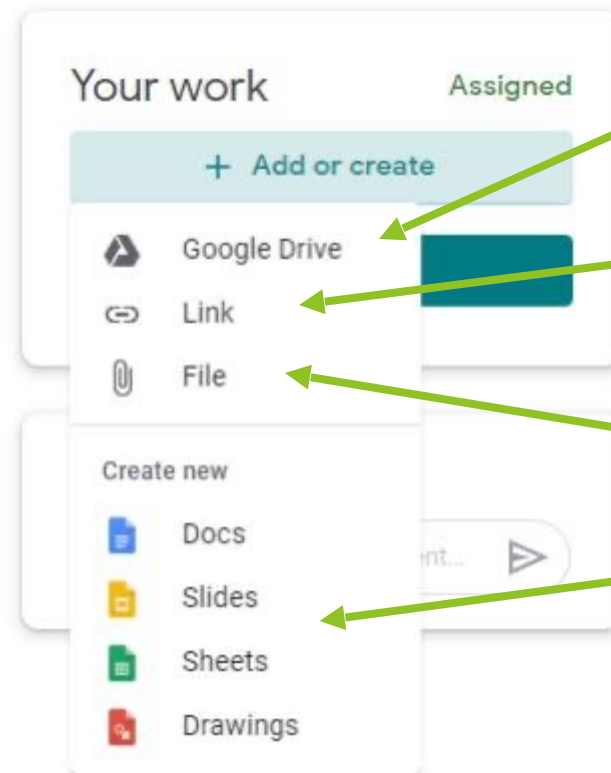

Your child clicks into the assignment.

Once they have completed the work they click Mark as done.

They might then need to click turn in to ensure it is submitted to the teacher

They can add directly from their google drive.

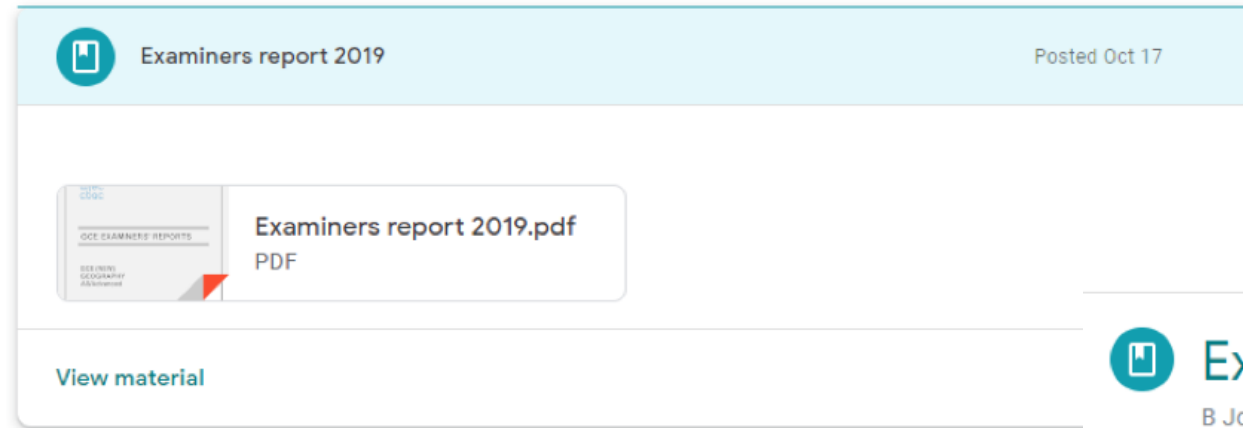

Add a link which includes websites/youtube

Files from their computer or phone

Or create new documents directly in the assignment.

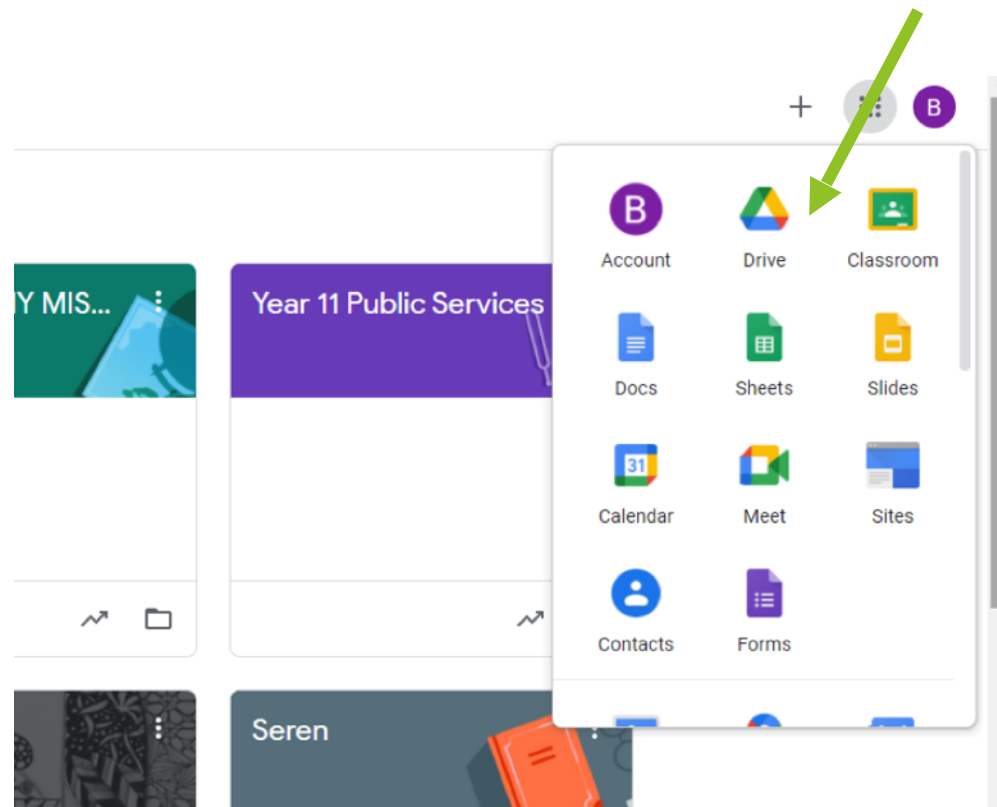

How does your child access materials?

- ▶ Your child will need to click into the material by clicking view material
- ▶ Then open the document

What is a Google Drive and why should your child use it?

- ▶ Every child has access to their own Google Drive. This can be done by clicking on the 9 squares in the top right hand corner of the Google classroom. Then selecting Drive

What is a Google Drive and why should your child use it?

- ▶ The Google Drive saves all your child's school work securely. Saving the work automatically as they complete it. When your child uploads work they just select Drive from the drop down menu to search their drive for their school work

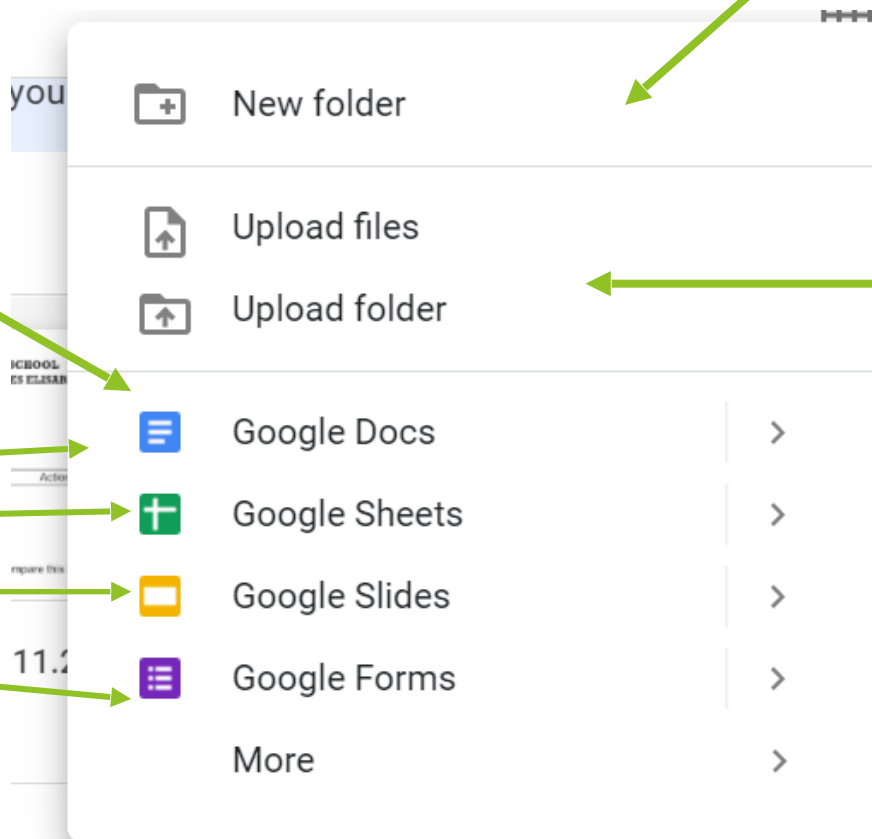

What is a Google Drive and why should your child use it?

To complete work they right click with their mouse in the drive and select the method they want to use.

They can also organise their drive by creating folders for different subjects

They can also upload work from their computer and save them directly to their drive

Like Microsoft Word
Like Microsoft Excel
Like Microsoft Powerpoint
This created questionnaires and quizzes
