Other evidence that teachers have gathered throughout the year will be used to determine your Centre Determined Grade. In this subject the evidence that will be used is-

- Unit 4/5/6 end of topic tests
- Assessment Week 1 data
- Assessment Week 2 data

Assessment Week grades are determined using end of topic tests, that utilise WJEC past paper questions and mark schemes.

Please bear in mind that the weighting of the evidence will not be equally split. To award the centre determined grade the school will apply a best fit model
