Dear Parent/Carer

I can report a positive and productive start to term. May I thank the large number of you who supported our recent production of *Bugsy Malone*, which was an outstanding success.

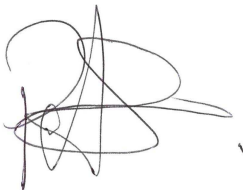

I will shortly send a newsletter with further school news including full details of our exceptional examination results.

The Governors' Annual Report to Parents is now available and has been posted on the school website and has been emailed to all parents for whom the school has email addresses. Any parent wishing to receive a paper copy should contact the main school office.

The Governors' Annual General Parents Meeting, at which this report will be presented, will be held on Thursday 17th November 2011 at 6.30pm in the school hall. The Governors' meeting will be followed by the Parent Association's Annual General Meeting.

Over the next fortnight the school will be promoting an anti-bullying campaign. It was launched on Friday last with a highly successful series of anti-racism workshops delivered by an outside agency. During the next two weeks there will be specially themed assemblies and the work in many lessons will reflect and support anti-bullying principles. I will feedback on the success of the campaign in a future newsletter.

Yours sincerely

P A Spencer
