*Thank you for your continued support. As you are already aware school is closed for the remainder of the term.*

*This is not the end of term that anyone had hoped for. Work has been uploaded on Google classrooms where possible, although some staff may not have had resources at their disposal at home staff under their best endeavours have provided work and we are grateful for their efforts.*

*Today would have been our whole school wellbeing day and we had a host of activities planned for our pupils; both staff and students were looking forward to the day. These resources will now be posted onto Google classroom for our students to complete as part of their online learning.*
