

Queen Elizabeth High School Ysgol Uwchradd Y Frenhines Elisabeth

9th July 2021

Dear Parent / Guardian,

We have been informed that an individual at our school has potentially tested positive for COVID-19 and currently waiting confirmation of a PCR test. We would like to reassure you that there is no immediate cause for concern and provide you with as much information as possible.

We are working closely with Carmarthenshire County Council and NHS Wales Test, Trace, Protect (TTP), and are following all the advice and guidance provided to us.

A group of pupils in year 7 and those pupils on bus C19 at the school have been identified as potentially coming into close contact with the individual. We are requesting that pupils of this year group self-isolate and work from home whilst further investigations are undertaken. We, or the TTP Team, will contact you within the next 24 / 48 hours to confirm whether a period of self-isolation is required for 10 days, or whether pupils can return to school.

If your child is required to self-isolate, everyone else in the household can continue as normal and go to work / school (however if your child becomes symptomatic, the whole household would then need to self-isolate).

This process of testing and contact tracing is part of the 'new normal' and where schools follow these guidelines carefully, there is no cause for alarm.

In the event of any further positive cases, all updates will be published on the council website:

<https://www.carmarthenshire.gov.wales/home/council-services/education-schools/>

We would like to take this opportunity to remind you that if you, your child or anyone you live with, begins to display the following symptoms you must all stay at home and follow advice from Public Health Wales:

- *A new continuous cough and/or*
- *A high temperature*
- *A loss of or change in your normal sense of taste or smell.*

Queen Elizabeth High School Ysgol Uwchradd Y Frenhines Elisabeth

If your child becomes unwell outside of school hours, with or without any of the COVID-19 symptoms or needs to self-isolate, please report this to us by calling Delta Wellbeing on 0300 333 2222 or by emailing TTP@deltawellbeing.org.uk who will notify the school on your behalf.

During school hours and for all other health-related issues please inform your school directly.

If you or your child feels unwell and you need medical advice, please phone NHS 111 or visit their website 111.wales.nhs.uk, or call your local GP.

It is important that we all remain vigilant and maintain social distancing, continue to wash our hands frequently and wear a face covering where required to prevent the spread of the virus as much as we can.

We hope that the information we've provided is reassuring and helpful during what we appreciate can be an anxious time. As always, we appreciate your continued support. If you have any questions, please do not hesitate to get in touch.

Mr D Williams
Headteacher
