Goldies Cymru we want to try and do everything we can to help people feel connected, and continue to brighten up the day with a Goldies Mini Sing & Smile session once a week through our **Facebook** page. We want to encourage everyone who can to tune in, join in, sing-a-long. Many of our ageing community are now on Facebook and we hope to reach as many people as possible. <http://www.facebook.com/goldiescymru>

Every week we will have either a pre-recorded Mini session or a LIVE session, as well as other posts throughout the coming weeks to engage with those that are lonely and isolated. We hope that people will join in with us, send in requests, comment and share our posts and videos to help keep the Goldies and wider community feel connected at this time.
